

IN THE SPECIFICATION

Please amend the specification as follows:

Please replace the paragraph beginning at page 10, line 11, with the following rewritten paragraph as follows:

-- Vending device 140 is a device which sells an electronic book to a customer by copying the electronic ~~device~~book selected by the customer onto a media or by down-loading the electronic ~~device~~book into viewer device 150. Viewer device 150 is a device to ~~reproduce~~replay the electronic book purchased via vending device 140. --
